

INSPIRATION EDUCATION CONSERVATION

THE YORKSHIRE ARBORETUM

VENUE HIRE

A UNIQUE & INSPIRING LOCATION

FOR A TRULY MEMORABLE OCCASION

Are you looking for a unique space to hold a private or corporate event? Do you need an exclusive location for a special occasion? We offer a range of options from daytime to evening hire, with access to an 120 acre garden of trees.

DAYTIME HIRE

The new Peter Sowerby Building is a modern facility suited to a range of activities from team building events and training courses to creative-thinking or wellbeing sessions. It provides a comfortable, well-ventilated space with good IT and AV systems, underfloor heating and a balcony.

EVENING HIRE

The Yorkshire Arboretum Visitor Centre and Peter Sowerby Building present a beautiful setting for an evening event, allowing you and your guests to enjoy the peace and tranquillity of the arboretum privately.

ARBORETUM HIRE

With over 120 acres to explore, the arboretum makes a fantastic location for an outdoor event, workshop or special occasion. For something really unique, why not invite guests to a tour as part of your event? We offer discounts and special rates for large groups.

CATERING

Our in-house catering team offers a range of packages designed to suit your individual requirements. We use seasonal and locally sourced ingredients with vegan, vegetarian and gluten-free options available.

PETER SOWERBY BUILDING

With magnificent views over the arboretum from its picture window, the contemporary style Peter Sowerby Building is available for daytime and evening hire. Ideal for small and medium-sized groups, it is designed to accommodate a range of setups from classroom-style formats to drinks receptions.

VISITOR CENTRE

Our open-plan Visitor Centre is available for evening hire as an individual space or combined with the Peter Sowerby Building for a larger gathering. Guests are able to socialise outside on the terrace for drinks and canapés and enjoy the wonderful backdrop of trees, meadows and wildlife.

ALL SEASONS

Venue hire is available all year round but during December and January, when the Visitor Centre is closed, there is restricted access to the arboretum.

WHERE WE ARE

The Yorkshire Arboretum is on the Castle Howard Estate in the picturesque Howardian Hills, not far from Malton and only 15 miles from York.

Ample free parking is available on site.
